

**SAL1855/BQ**

SLR LENS (DT 18-55mm F3.5-5.6SAM)

This superb standard zoom lens for your (alpha) DSLR camera has a smooth and silent AF operation with built-in Smooth Autofocus Motor (SAM) to handle the full range of your most common shots. In 35mm equivalent, it covers wide-angle 27mm to 82.5mm midrange for snapshots, portraits, interiors and more. An excellent all-around lens. Please note: DT lenses are not recommended for use with the DSLR-A900.
